PROJECTS TO TACKLE:

- Litter pick up
- Spruce up garden beds
- Wipe down the pavilion tables & benches at the Town Common

Gloves recommended.

Garden tools, trash bags &

cleaning supplies provided by

The Community Builders Hub

AFTER CLEAN UP:

- School to provide student bagged lunch picnic at the pavilion.
- Sweet treats from The Community Builders Hub for all volunteers!
- Kids to play at the new playground to celebrate!

Highlights

Park improvements being done, informed by community input include:

- A resurfaced basketball court & new backboards.
- A brand new pickleball court that replaced the former tennis court.
- A storywalk and walking path that follow the scenic Connecticut riverbank, with benches for resting.
- Replacement of all playground equipment with a brand new system.
- Exercise equipment stations along the path.
- Sunshades over picnic tables.
- New parking areas.
- Ballfield fence moved in to allow for more trail space behind.
- Picnic area with signage, for paddlers to enjoy a drop in spot to the river on the south end of the park.
- Ballfield dugouts and picnic tables were painted and stained within the last year by volunteers.
- Landscaped riverbank.
- A new ice rink was added for winter skating within the ball field, thanks to volunteer efforts of Lynch, LLC.

Thank you to all of the volunteers and crews that helped make this possible in Stratford!
We are stronger together!
