

Town of Stratford

Position Available

We are currently accepting applications and resumes for

Full Time Sewer/Water Operator

Job Description: This is a full-time, salaried position (\$44,000-\$48000) with health, retirement benefits. Normal daytime hours, but responsibility extends to 24/7 availability. The Operator should live within a 20 minute travel radius. The operator will be involved in and responsible for all aspects of managing, maintaining, and keeping both the Town's potable water system and the Town's wastewater system clean, safe and operating smoothly in accordance with Federal regulations. The Operator will be as supportive and cooperative as job responsibilities allow when with town residents, property owners, contractors, and consultants.

Supervision: The Operator is under the direct supervision of the Town Administrator and Selectboard.

Experience: Holders of this position must have at least a high school diploma or a GED; have public water and wastewater treatment operator's licenses; be familiar with computers and computer applications; have good writing, speaking, and listening communications skill; hold a CDL license.

To Apply: Employment applications are available at the Stratford Town Office, Mon.-Thurs. 9-3:30 or on our website at <https://stratfordnh.gov/wp-content/uploads/simple-file-list/Forms/Selectboard/Employment-Application.pdf>
The position will be open until filled. The Town of Stratford is an EOE.
