Elevation of the highest annual average groundwater table within or next to proposed excavations (RSA 155-E:3,V):

Reclamation Plan. (RSA 155-E:3,VI).

Please attach reclamation plan which shall be in compliance with the provisions of RSA 155-E:5 and RSA 155-E:5a. A performance bond may be required in the amount deemed reasonable by the Board. Plan attached: Yes ___ No ___

Additional requirements. (RSA 155-E:3,VIa).

- 1) Site Plan Approval shall have been obtained prior to the issuance of this permit.
- 2) Any area, whether under current excavation or yet to be reclaimed, shall be fenced in a secure manner until such time as an approved reclamation has been accomplished for that area.
- 3) Minimum setback from any abutter or public roadway shall be 100'. This distance may be reduced upon receipt of written permission of the abutter(s) involved.
- 4) Track-out measures shall be in place prior to the beginning of excavation.
- 5) Town of Stratford ordinance specifying maximum gross vehicle weight limits, including seasonal weight limits, shall be complied with at all times.
- 6) Blasting operations will not be permitted unless proof of compliance with all applicable federal, state and local requirements has been demonstrated.
- 7) Site drainage shall be maintained in accordance with RSA 155-E:4-a, 11a and the best management practices noted in the current edition of Volumes 1, 2 and 3 of the New Hampshire Stormwater Manual.
- 8) The hours of operation shall be limited to Monday through Saturday, no earlier than 7:00 AM nor later than 7:00 PM. No nighttime operation is allowed.
- 9) The owner/operator shall take appropriate actions to ensure that noise and dust levels are kept to acceptable levels.
- 10) All fuel and chemicals used within this excavation site shall be handled and stored in an approved manner.
- 11) The Stratford Planning Board (or its designee), upon written notice, reserves the right to conduct inspections of the excavation site to assure overall safety and compliance with the above-noted regulations.
- 12) The cost of additional studies or other investigations, deemed reasonable by the Board, shall be borne by the owner/operator. (RSA 155-E:3,VII)

I (we) acknowledge that I (we) have read and understand the regulations contained in RSA 155-E, those contained herein as well as the applicable state and federal regulations governing this type of excavation. I (we) do further certify that the information provided is, to the best of my (our) knowledge, true and accurate.

(Signature) _____ (Print Name) _____ (Date) _____

(Signature) _____ (Print Name) _____ (Date) _____

The establishment of this excavation site is approved by the Stratford Planning Board pursuant to RSA 155-E:2. Please note, the responsibility for assuring this excavation site is in compliance with applicable state or federal restrictions and/or requirements rests solely with the owner/operator.

Payment of an excavation fee of \$50.00 is due at the time of signing. (RSA 155-E:8)
