

Order Form for the Stratford Honor Wall Memorial

Donations will go to the Town's Recreational Fund in support of funding the planned playground and park improvements

This project was started as a fundraiser during the Town's 250th Celebration in 2023. The Honor Wall presents an opportunity to honor the memory of local residents who have made a difference in our community, both past and present.

The metal plaques are displayed on the Honor Wall located on the north side of the Pavilion at the Town Common, serving as an additional space to the memorial bricks already in place. We still have room for more honorees. Each \$50 donation will now be used to help fund the Town's new playground and park improvements. Thank you!

To include your honoree(s), please complete the form below:*
